- **Travel costs: WP1, WP2 and WP11**

INTEC team members:

Drasko Jovanovic, Ratko Jovanovic, Gordan Vujovic

- Gama Auto doesn't have **experience** Erasmus+ projects implementation
- **Consultants** can be engaged as staff (contract of services)

Gama Auto (GA) **is recognized** as a company with many years of experience in **trade of cars and light motor vehicles**. GA has a large number of customers, as well as, suppliers. **It has an outstanding relationship with other companies in corresponding field**.

GA can be **input-giving partner regarding the information about Montenegrin vehicles market. Employees can also share their experience in the field of entrepreneurship.**

Goupil
Electric delivery vehicle

The **expectations** of Gama Auto are to:

- **expand the network** of clients and suppliers focused on sustainable mobility and

- **to be recognized** in this area as a leading player in the Montenegrin market.

They can actively promote sustainable mobility in Montenegro.

The **employees of Gama Auto need training in this area**, on the basis of which they will further **promote the goals and results of the project to their clients and stakeholders.**

THANK YOU FOR YOUR ATTENTION
