

The University of Vlora "Ismail Qemali" (UVL) is a public higher education institution located in Vlora, Albania. Its academic program is based on the Bologna Accord. UVL provides a variety of majors and specialized curricula to prepare students for post-baccalaureate education, professional schools, or careers directly after graduation. Each program provides a variety of courses and curricular experiences to ensure an enriched life along with superior career preparation or enhancement. UVL holds Agreements with more than 60 Higher Education Institutions of EU countries such as Spain, Italy, Germany, Greece, Rumania, Bulgaria etc. and also with Universities in China and the Middle East. UVL is the only Albanian institution that has endorsed and undersigned The European Charter for Researchers and The Code of Conduct for the Recruitment of Researchers in October 2016, supporting the implementation and efficiency of a more conductive research policy-making in the near future in line with the European Higher Educational institutions. UVL is working hard in establishing close relationship with industry as well as transferring the earned knowledge in real life. However, partnership is of paramount significance in order to better understand actual needs of the society and prepare students for employment.
